

PRIVACY POLICY

General Information

This privacy policy has been compiled to better serve those who are concerned with how their 'Personally identifiable information' (PII) is being used online. PII, as used in Singapore privacy law and information security, is information that can be used on its own or with other information to identify, contact, or locate a single person, or to identify an individual in context. Please read our privacy policy carefully to get a clear understanding of how we collect, use, protect or otherwise handle your Personally Identifiable Information in accordance with our website.

What personal information do we collect from the people that visit our blog, website or app?

The types of Personal Information that we collect directly from you or from third parties depend on the circumstances of collection and on the nature of the service requested or transaction undertaken. It may include but is not limited to:

- contact information, e.g., address, phone number and email address;
- technical information, e.g., IP address for API services and login or Ethereum wallet address. We use your IP address to help diagnose problems with our server, and to administer our website. IP addresses are not linked to personally identifiable information.
- statistical data, e.g., hits to website or orders made on our website.

or other details to help you with your experience.

This Privacy Policy covers the information we collect about you when you use our products or services, interact with Etherscan, or redeem a CDKEY unless a different privacy policy is displayed. This policy also explains your choices about how we use information about you. Your choices include how you can object to certain uses of information about you and how you can access and update certain information about you. If you do not agree to the terms of this Policy, please do not use the Site, or any of our Services. Each time you use any Site, or any Services, the current version of this Privacy Policy will apply.

When do we collect information?

This Privacy Policy covers any Personal Information provided to us:

- when you engage with our products and services;
- when you subscribe a newsletter;
- when you place an order or redeem a CDKEY;
- under any other contractual agreement or arrangement;

Some of the other ways we may collect Personal Information shall include but is not limited to:

- communications with you via telephone, letter, fax, email and social media;

- when you visit our website;
- when you contact us in person;
- when we contact you in person;
- when you respond to a survey or marketing communication.
- when you give a feedback.
- when we collect information about you from third parties; and other channels including our support helpdesk.

How do we use your information?

We may use the information we collect from you in the following ways:

- to enable us to provide our services and perform our services to you;
- to administer a contest, promotion, tournament, giveaway, survey or other site feature.
- to quickly process your transactions.
- to send periodic emails regarding your order or other products and services.
- for business development purposes such as statistical and marketing analysis, systems testing, maintenance and development, customer surveys or to help us in any future dealings with you, for example by identifying your requirements and preference;
- to comply with any legal or regulatory requirements;

How do we protect visitor information?

We do not use vulnerability scanning and/or scanning to PCI standards.

We do not use Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

We implement a variety of security measures when a user places an order enters, submits, or accesses their information to maintain the safety of your personal information.

All transactions are processed through a decentralized public blockchain and are not stored or processed on our servers.

Do we use ‘cookies’?

Yes. Cookies are small files that a site or its service provider transfers to your computer’s hard drive through your Web browser (if you allow) that enables the site’s or service provider’s systems to recognize your browser and capture and remember certain information. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile

aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We use cookies to:

- understand and save user's preferences for future visits.
- keep track of advertisements.
- Compile aggregate data about site traffic and site interactions in order to offer better site experiences and tools in the future. We may also use trusted third-party services that track this information on our behalf.
- We also use cookies and/or a technology known as web bugs or clear gifs, which are typically stored in emails to help us confirm your receipt of, and response to our emails and to provide you with a more personalized experience when using our site.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Internet Explorer) settings. Each browser is a little different, so look at your browser's Help menu to learn the correct way to modify your cookies.

If you disable cookies off, some features will be disabled it won't affect the users' experience that make your site experience more efficient and some of our services will not function properly. However, you can still place orders.

Your continued use of this site, as well as any subsequent usage, will be interpreted as your consent to cookies being stored on your device.

Does our site allow third party behavioral tracking?

It's also important to note that we allow third party behavioral tracking. We also use third party service provider(s), to assist us in order to better understand the use of our site. Our service provider(s) will place cookies on the hard drive of your computer and will receive information that we select, for example, how visitors navigate around our site, what pages are browsed and general transaction information. Our service provider(s) analyzes this information and provides us with aggregate reports. The information and analysis provided by our service provider(s) will be used to assist us in better understanding our visitors' interests in our site and how to better serve those interests. The information collected by our service provider(s) may be linked to and combined with information that we collect about you while you are using the platform and all services provided. Our service provider(s) is/are contractually restricted from using information they receive from our Site other than to assist us.

Third Party Disclosure

We will not trade or sell your Personal Information to third parties. Your Personal Information shall only be disclosed or transferred to the following third parties appointed or authorized by the Company for the fulfilment of the Purpose of: (a) data warehouses; (b) IT service providers; (c)

data analytics and/or marketing agency; (d) legal bodies as permitted or required by law such as in compliance with a warrant or subpoena issued by a court of competent jurisdiction; and/or (e) regulatory authorities applicable to you; and/or (f) safety and security personnel. In addition to the above, your Personal Information may also be disclosed or transferred to any of the Company's actual and potential assignee, transferee or acquirer (including our affiliates and subsidiaries) or our business, assets or group companies, or in connection with any corporate restructuring or exercise including our restructuring to transfer the business, assets and/or liabilities. We shall take practical steps to ensure that their employees, officers, agents, consultants, contractors and such other third parties mentioned above who are involved in the collection, use and disclosure of your Personal Information will observe and adhere to the terms of this Privacy Statement.

However, certain third-party service providers, such as Web3 service providers, have their own privacy policies in respect to the information we are required to provide to them for your purchase-related transactions.

For these providers, we recommend that you read their privacy policies so you can understand the manner in which your personal information will be handled by these providers.

In particular, remember that certain providers may be located in or have facilities that are located a different jurisdiction than either you or us. So if you elect to proceed with a transaction that involves the services of a third-party service provider, then your information may become subject to the laws of the jurisdiction(s) in which that service provider or its facilities are located.

As an example, if you are located in Canada and your transaction is processed by a Web3 service provider located in the United States, then your personal information used in completing that transaction may be subject to disclosure under United States legislation, including the Patriot Act. Once you leave our store's website or are redirected to a third-party website or application, you are no longer governed by this Privacy Policy or our website's Terms of Service.

Third party links

Occasionally, at our discretion, we may include or offer third party products or services on our website. These third-party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.

How does our site handle do not track signals?

We honor do not track signals and do not track, plant cookies, or use advertising when a Do Not Track (DNT) browser mechanism is in place.

Minors

Our site, products and services are all directed to people who are above the age of 16. In the event that we become aware that a user under the age of 16 has shared any Personal Information, we will discard such information. If you have any reason to believe that a minor has shared any Personal Information with us, please contact us at kingdomxgame@gmail.com

Withdrawing Consent

Please note that it is obligatory for the Company to process your Personal Information for the Core Purpose as stated above. Nevertheless, you may request to view, change and update your personal information by emailing us at kingdomxgame@gmail.com at any time. You can also request that we will cease processing, correct errors or that we will erase personal information by emailing us at kingdomxgame@gmail.com.

Please note that unless you instruct us, otherwise we retain the information we collect for as long as needed to provide our services and to comply with our legal obligations, resolve disputes and enforce our agreements.

Contacting Us

To change personal information, please email us at kingdomxgame@gmail.com

If there are any questions regarding this privacy policy you may contact us at kingdomxgame@gmail.com.

These Terms were last modified on October 27, 2021.
